From the Principal

School overview

Collinsville State School is located in a rural setting approximately 85 kilometres west of Bowen. The school caters for approximately 85 students from both rural and urban backgrounds. The school community values the quality education programs offered in this small school setting for students from the Preparatory Year to Year 7. The school is led by a teaching principal who is assisted by a small teaching staff, teacher aides and administrative support. The school curriculum offers children a wide range of teaching and learning experiences in all eight key learning areas. Specialists visit the school weekly to assist with delivery in Science and Art. The rural setting of the school is enhanced by well-landscaped school grounds, spacious playing areas, a multi-purpose court and quality playing equipment. Each class has a double or triple teaching space. The school also boasts a parade room, an art room and gallery, two computer laboratories as well as several storage areas for resources and sporting equipment. Collinsville State School has a newly refurbished Library/ICT Learning Area and all teaching classrooms are equipped with Electronic Whiteboards. The school has had a successful sporting history with many students qualifying for District, Whitsunday, North Queensland sporting teams. The school runs the Active After School Sport program twice a week and many of our students participate in this. Collinsville also has an award winning choir who have place in the Burdekin Eisteddfod for the past two years. Collinsville State School offers scholarships in the Arts, Sport, Academia and General Excellence each year. The behaviour of our students is fantastic and the climate is one of hard work, dedication, aspiration and achievement. We believe it is important to celebrate success and do so weekly at parade and in our class and school newsletters. Our school motto, "Nolite Dedere" means "never surrender, never give up" and we pride ourselves on aspiring to do this daily. Collinsville State School caters for students with disabilities and learning difficulties with specialist teachers based at our school. The parents remain heavily involved in a wide range of extra-curricular activities.

Note:

The [class size](#) targets for composite classes are informed by the relevant year level target. Where composite classes exist across cohorts (e.g. year 3/4) the class size targets would be the lower cohort target.

Curriculum implementation

The P–12 curriculum, assessment and reporting framework specifies the curriculum, assessment and reporting requirements for all Queensland state schools' principals and staff delivering the curriculum from Prep to Year 12. Further information on school implementation of the framework is available at <https://education.qld.gov.au/curriculum/stages-of-schooling/p-12>.

Extra-curricular activities

Queensland state schools provide a wide range of subjects and extra curricula activities such as sport, art, music and school camps. Further information can be found here <https://www.qld.gov.au/education/schools/information/programs>.

How information and communication technologies are used to assist learning

Information and communication technologies (ICT) are an important part of contemporary schooling. The Australian Curriculum includes ICTs as a general capability across all learning areas, as well as Digital Technologies as a specific learning area. Further information on models used by schools to assist learning is available at <https://education.qld.gov.au/parents-and-carers/school-information/student-ict-device-programs/one-to-one-models>.

Social climate

Overview

Each Queensland state school develops and enacts policies to support an integrated approach to behaviour, learning and teaching.

Our Student Code of Conduct is our school's behaviour policy, with information about school rules, consequences and processes for addressing bullying and the use of technology. A copy of this is available on our school website.

Further information is also available at <https://www.qld.gov.au/education/schools/health>.

Parent and community engagement

Our approach to engaging with parents and the community is aligned to the departments Parent and community engagement framework. The framework helps students, schools, parents and the community to work together to maximise student learning and wellbeing. Research shows parent and community engagement that is effectively focused on student learning can deliver powerful outcomes. Further information is available at <https://education.qld.gov.au/parents-and-carers/community-engagement>

Respectful relationships education programs

Our school has implemented the Respectful relationships education program (RREP) as part of the broad multi-departmental Queensland Government approach to ending domestic and family violence.

The RREP is a Prep to Year 12 prevention program that focuses on influencing behavioural change to build a culture based on equality and respect in our students, staff, parents and wider community. Students are provided opportunities to explore social and emotional learning in self-awareness, self-management, social awareness, relationships, ethics, values, social norms, gender roles, stereotypes, human rights, risk and responsible decision-making. A growing body of evidence shows that social and emotional learning of this nature leads to:

- improved social and emotional skills, self-concept, bonding to school and classroom behaviour
- less disruptive classroom behaviour, aggression, bullying and delinquent acts
- reduced emotional distress such as depression, stress or social withdrawal.

Further information is available at <https://education.qld.gov.au/curriculum/stages-of-schooling/respectful-relationships>

School disciplinary absences

Table 6: Count of incidents for students recommended for school disciplinary absences at this school

Type of school disciplinary absence	2017	2018	2019
Short suspensions – 1 to 10 days	1	2	3
Long suspensions – 11 to 20 days	0	0	0
Exclusions	0	0	0
Cancellations of enrolment	0	0	0

Note:

School disciplinary absences (SDAs) are absences enforced by a school for student conduct that is prejudicial to the good order and management of the school.

Environmental footprint

Reducing this school's environmental footprint

Environmental education has been a feature of Queensland schools for more than 30 years. In many schools it has been creatively and proactively incorporated into the curriculum in each phase of learning, and is also reflected in the school's facilities and in the actions of its principals, teachers and students.

Table 7: Environmental footprint indicators for this school

Utility category	2016–2017	2017–2018	2018–2019
Electricity (kWh)	66,603	50,989	67,234
Water (kL)	2,735	1,410	4,564

Note:

Consumption data is compiled from sources including ERM, Ergon, CS Energy reports and utilities data entered into OneSchool* by schools. The data provides an indication of the consumption trend in each of the utility categories which impact on this school's environmental footprint.

*OneSchool is the department's comprehensive software suite that schools use to run safe, secure, sustainable and consistent reporting and administrative processes.
